

Vizient Governance Academy Summit

February 5-7, 2025 | Jekyll Island Club | Jekyll Island, Georgia

Join your colleagues and peers at the upcoming Vizient Governance Summit: *Transforming Together – Governance for Tomorrow’s Challenges*.

Designed exclusively for healthcare boards and CEOs, this premier event will address the critical issues shaping healthcare governance and provide actionable strategies to drive success. **As a Vizient Governance Academy subscribing organization, you may send three individuals and their guests at no charge to this summit.** Additional attendees are \$2,500 per attendee (spouses/guests are included at no additional charge).

This immersive, in-person experience offers:

- **Tailored learning tracks** for focused development.
- **Interactive problem-solving sessions** to tackle real-world challenges.
- **Action planning opportunities** to enhance board performance and impact.

Key topics include:

- **The Board’s Role in High-Reliability Organizations:** Foster safety, quality and accountability.
- **Board Structures in Evolving Systems:** Adapt to shifting organizational models and needs.
- **Navigating Advances in Healthcare Technology:** Leverage innovation for improved outcomes.
- **Emerging Trends in Healthcare:** Understand the implications for governance and prepare for what’s next.
- **Mastering Governance Challenges:** Explore opportunities and best practices for effective leadership.
- **Healthcare Policy and Advocacy:** Shape the future through informed, strategic action.

Dive deep into these topics with insights from industry leaders at Vizient, Kaufman Hall and Sg2, and gain practical wisdom from panels featuring hospital CEOs and trustees. A few of our keynote speakers:
