## Vizient Member Networks is your partner to achieve top performance

As healthcare complexity accelerates, top performance depends on aligned leadership, enterprise analytics, trusted subject matter expertise and disciplined execution.

Vizient® Member Networks partner with you to unify culture, governance and data — translating system-wide alignment into stronger access, optimized capacity and measurable results.

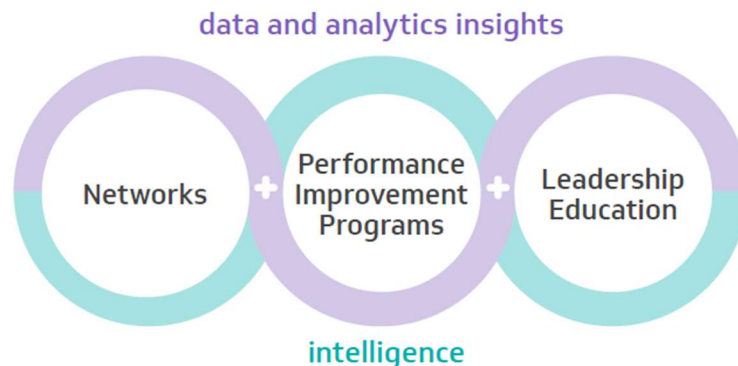

## Today’s pressures demand decisive alignment

Health systems face intensifying access constraints, financial pressure and enterprise complexity. Top performers respond with clarity, alignment and disciplined execution at scale.

## A clear roadmap to top performance

1. **Build trusted relationships in your professional home.** Connect with executive peers in a high-trust environment to strengthen alignment and share proven practices.
2. **Engage in interprofessional learning to drive alignment and improvement.** Align leadership teams around shared priorities to accelerate enterprise performance.
3. **Leverage data and analytics to identify opportunity.** Benchmark performance and focus on the highest-impact areas for improvement.
4. **Implement proven performance improvement strategies.** Apply structured collaboratives and leading practices to accelerate results.
5. **Partner with subject matter experts to achieve top performance.** Combine enterprise data with Vizient expertise to sustain gains.

Grounded in two decades of Top Performance research, Vizient equips leaders with insights, frameworks and expertise needed to advance strategic priorities, strengthen system capability and deliver sustainable results.

## Networks: The professional home for alignment and performance

C-level networks offer an exclusive, peer-driven environment guided by member advisory committees and informed by Vizient subject matter expertise. Leaders collaborate across disciplines to align strategy and accelerate enterprise performance.

In 2026, Access and Capacity is embedded across the experience—connecting collaboration, analytics and improvement to drive measurable results.

### Leadership capability sustains excellence

Top performance depends on capable, aligned leaders.

Vizient delivers 50+ profession-specific programs annually, offering leading practices and continuing education across key domains.

Vizient awarded 29,750+ continuing education credits in 2025, resulting in \$8.9M+ in member impact.

### Performance Improvement programs: take you from where you are, to where you want to be

Performance Improvement Programs provide a structured, evidence-based approach to solving complex clinical and operational challenges.

Through collaboratives, benchmarking surveys, workshops and improvement communities, teams apply proven frameworks and subject matter expertise to translate data into action—optimizing access, throughput and overall performance.

Supported by expert faculty and enterprise analytics, members accelerate sustainable, system-wide change.

### Engagement at scale

In 2025, more than **10,000** C-level leaders participated in Vizient Member Networks events and **975+** Performance Improvement project team enrollments—a median of three per system. This momentum illustrates how members are moving from participation to performance, advancing measurable transformation at scale.
