

Vizient Learning Academy

Accreditation Professional Orientation Certificate

Optimize your organizational performance

Invest in your future by empowering professional development today

This comprehensive virtual education program, offered twice each year, is designed for accreditation professionals new to the field or other leaders with accreditation oversight. The program consists of 11 webinars and provides the knowledge and skill to become a more effective accreditation professional. Vizient accreditation and regulatory subject matter experts provide vital information, resources and success strategies to strengthen knowledge and skill in developing a continuous readiness program.
