# Central Atlantic Pharmacy Program (CAPP)

The Central Atlantic Pharmacy Program (CAPP) is a pharmacy aggregation group comprised of 9 health systems, representing more than 35 acute care facilities and **\$2.3 billion** in pharmacy spend. Since inception, client hospitals have achieved over **\$100 million** in implementable savings. The group continues to experience client growth and achieves savings through utilization, standardization, and contracting agreements. A variety of categories including 503b outsourced sterile compounding, biosimilars, influenza vaccine, and others are responsible for client value.

## **Central Atlantic Pharmacy Program**

#### **Profile overview**

- · Inception date: November 2013
- Client count: 9 health systems, 45 hospitals
- · Most recent annual drug spend: \$2331M
- Value since inception: > \$100M

#### **Client benefits**

- Sharing of knowledge across Client to help address challenges such as regulatory and practice issues, service evaluation and growth opportunities
- Dramatically improve pharmaceutical pricing by aggregating volumes both within the pharmacy aggregation group and with other pharmacy aggregation groups
- Assistance with implementation strategies, reporting on cost savings, auditing performance and facilitating communication with key stakeholders and the executive level

#### **Supplier benefits**

- Single point of contact to facilitate communication of value and mutual opportunity
- Proven ability to drive market share through pharmacy aggregation structure and to drive compliance through peer communication and executive suite engagement in pharmacy aggregation activities
- Ensures focus on initiatives through the pharmacy aggregation that otherwise may be lost in the day-to-day priorities of a hospital pharmacy

### **Pharmacy Aggregation Group** highlights

- Client drive exceptional value by leveraging the power of collaboration and evidence-based best practices and successful attainment of market share tiers to secure lower pricing
- Influenza vaccine contracts for 2024-2025 led to client savings of more than \$2.7M over the Vizient base contracts
