Northeast Purchasing Coalition (NPC)

The Northeast Purchasing Coalition Pharmacy Network is a pharmacy aggregation group comprised of 18 health systems, representing more than 116 acute care facilities and over \$6.5 billion in pharmacy spend. Since inception in December 2013, client hospitals have achieved over \$214 million in implemented savings. NPC's structure provides a mechanism for integrating evidenced based practice with contracting strategies and is led by a Pharmacy Operations Committee comprised of client pharmacy leaders. This allows all participating organizations to synchronize their internal operations and goals to maximize speed to value. The group has experience continued client growth and brings industry leading value in many categories including biosimilars, intravenous immune globulin/albumin, ortho-viscoelastics, inhalers, MRI contrast, influenza vaccine and many more.
