

Requesting a login/Vizient user account

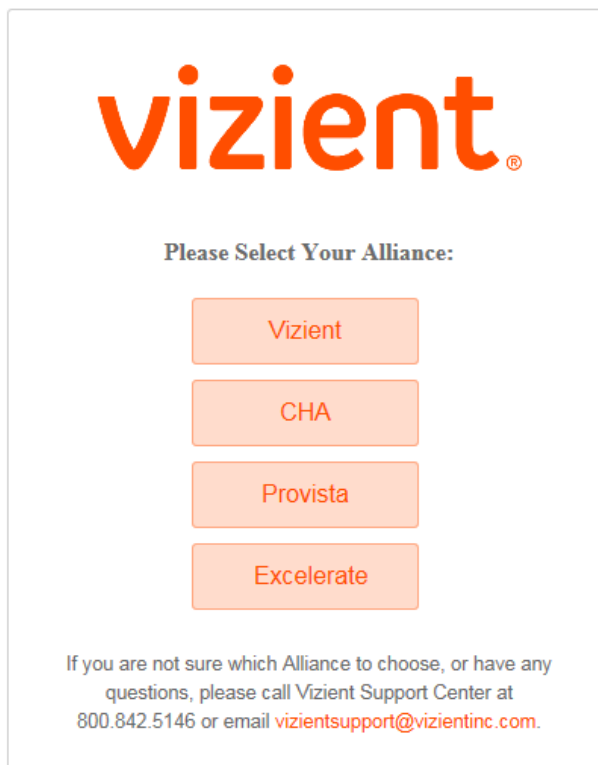

- Go to our Vizient website. www.vizientinc.com
- Click on **Login** in right upper corner of the page.

- On the next screen, click on **Request a login**

- On the next screen, select **Vizient** and then complete the requested information for your profile.

On the next screen, Product, click **Next** to skip unless you are certain you need access.

Product

Product Access Request

Please select the product(s) that you'll need to access.

Note: Many of these products require approval from your organization's coordinator. An email will be sent to them concerning this request. Please do not select a product unless you are certain you need access.
