

Vizient Pharmacy Aggregation Groups Group Profiles

vizient.[®]

Southern Strategic Sourcing Partners (S3P)

The Southern Strategic Sourcing Partners (S3P) is a pharmacy aggregation group comprised of 73 health systems, representing 588 acute care facilities and over \$2 billion in annual pharmacy spend. Since inception in 2018, member hospitals have achieved more than \$60 million in implemented savings. The pharmacy aggregation group is led by the S3P Pharmacy Steering Committee which is comprised of 13 pharmacy leaders providing a diverse representation of the full membership. S3P attains savings by focusing on contracting agreement opportunities.

S3P Pharmacy Network

Profile overview

- Inception date: August 2018
- Member count: 73
- Savings since inception: \$60M implemented

Member benefits

- Sharing of knowledge across members to help address challenges such as regulatory and practice issues, service evaluation and growth opportunities
- Dramatically improve pharmaceutical pricing by aggregating volumes both within the pharmacy aggregation group and with other pharmacy aggregation groups
- Assistance with implementation strategies, reporting on cost savings, auditing performance and facilitating communication with key stakeholders and the executive level

Supplier benefits

- Single point of contact to facilitate
- Communication of value and mutual opportunity
- Proven ability to drive market share through pharmacy aggregation structure and to drive compliance through peer communication and executive suite engagement in pharmacy aggregation activities
- Ensures focus on initiatives through the pharmacy aggregation that otherwise may be lost in the day-to-day priorities of a hospital pharmacy

Highlights

- Successful attainment of market share tiers for multiple drugs securing lower pricing for members
- A true sense of “pharmacy aggregation group” has been demonstrated with a high regard among members for the effort and value which participation in the aggregation program has provided
