Vizient Catalog

Access product and contract details online with our Vizient Catalog that helps you stay informed and maximize savings.

Supply analytics

Vizient's Supply Analytics offers unmatched healthcare price benchmarking data and custom insights to help you identify and achieve savings.

Exceptional value on tailored supply chain solutions

Vizient medical-surgical (med-surg) solutions help healthcare providers develop a reliable, efficient and cost-effective procurement strategy which incorporates clinically vetted products that strengthen supply assurance and provides a tailored path to value.

National agreements, programs and expertise

Our long-standing supplier and distributor relationships help providers dramatically reduce the cost of care while amplifying results. Access exceptional value on supplies used every day through our supplier agreements and purchasing programs.

Supply programs

Our expert sourcing approach enhances supply assurance and delivers value beyond pricing, rewarding standardization and reducing product variation. Gain additional benefits through programs like Impact Standardization, Vizient Commit, Vizient Reserve, Pediatric program, Novaplus® and Group Buys.

Advisory services

Our advisory services help you meet your acute and nonacute care goals by offering innovative strategies and expert clinical support, enabling you to deliver top-quality care.

Distribution strategies

Whether a traditional, hybrid or self-distribution approach, Vizient helps providers choose the right distribution strategy for improved inventory management, increased resiliency and more transparency.

Supply assurance and sustainability

Vizient Assurance ensures access to essential supplies while maximizing value, enabling top-quality care amidst changing conditions. With our extensive range of products recognized for their ESG credentials, our experts are equipped to devise strategies that foster stronger, healthier communities, while balancing environmental considerations with business needs.
