

CONTRACT COVERAGE UPDATE

Medical nutritionals (updated August 1)

The EN0151 contract has been extended for 2 years through 10/31/2025.

Current conditions

The EN0151 contract has been extended 2 years. There will be a price increase effective November 1 however, pricing of most products will remain firm from 11/1/2023 through 10/31/2025.

Full-line medical nutritionals are available on Nestle Healthcare Nutrition agreement [EN0153](#) and Abbott Nutrition EN0151; providers should evaluate the products and pricing that best suit your organization.

- Whole food, vegan and vegetarian products are available on Kate Farms agreement [EN0152](#), Nestle agreement [EN0153](#), Nutritional Medicinals agreement [EN0154](#) functional formularies and Nutricia North America/Real Food Blends agreement [EN0155](#).
- Kate Farms [EN0152](#) is a small-business diversity supplier. Their products are plant-based and portfolio includes oral nutrition supplements in 8oz cartons and some enteral nutrition products in a 1L ready to hang bag.
- Nutritional Medicinals [EN0154](#) products are plant based and intended for enteral nutrition (not by mouth consumption).
- Real Food Blends [EN0155](#) products are real food blenderized and intended for enteral nutrition (not by mouth consumption).
- Nutricia offers an Innovative Technology non-bid agreement [EN0194](#): Because this agreement was not awarded through Vizient's competitive contracting process, you may wish to consider whether it meets your institution's competitive bid mandates.

Alternatives

Providers can look to the alternative contracted products provided in the following [cross-reference](#).

Analytics show the following are the top 10 Abbott products purchased by providers, based on spend volume:
