

Top Performers: Responsible Sourcing

Award Criteria

The Vizient Responsible Sourcing Excellence award honors organizations that empower small businesses and builds value-driven supply chains. It recognizes healthcare organizations that drive committed procurement strategies and practices at the intersection of economic resilience, social, impact, and sustainability.

Evaluation is based on the percentage of a provider's Vizient spend directed towards suppliers that meet responsible sourcing criteria as well as demonstrated alignment with broader organizational goals and achievements for supply chain stewardship.

Award cohorts

Comprehensive Academic Medical Centers that perform a minimum of:

- 25 solid organ transplants
- 600 trauma cases or 1,500 acute transfers in from another acute care facility
