

2025 Vizient Connections Summit Education

Wednesday, Sept. 17

Spend Management Forum | Audience: Clients *(click to view agenda)*

8-9:30 a.m.

Audience: Supply chain leaders, category managers, data management professionals

Overview: Explore how AI-driven solutions can improve data accuracy, inventory optimization and procurement efficiency across key supply chain functions. This session invites feedback to shape Vizient's GenAI strategy and offers an opportunity to participate in future pilots and roadmap co-creation.

Education Sessions | Audience: Clients + Suppliers *(click to view details)*

8 a.m.-noon

Real stories. Real lessons. Real results. The Education Sessions are shaped by peers to offer practical, proven strategies you can bring back to your organization to spark meaningful, lasting change. Each presentation showcases forward-thinking approaches to today's most pressing healthcare topics, such as optimizing expense management, improving care quality and maximizing growth.

These interprofessional sessions demonstrate the imagination, innovation and impact of Vizient clients who are leading the way in transforming care.

Supplier Education Sessions | Audience: Suppliers *(click to view details)*

10 a.m.-noon

Pathways to Possibility: Empowering Supplier Growth and Innovation

Designed exclusively for suppliers, these sessions offer valuable insights and actionable strategies to navigate the evolving healthcare environment and optimize performance within Vizient's ecosystem. Whether category-specific or focused on broader market trends, sessions may explore practical ways to strengthen client connections, accelerate innovation, and optimize success.

Aligned with the Connections Summit theme, Imagine the Possibilities, these sessions invite suppliers to think boldly, embrace new ideas, and reimagine their role in shaping the future of healthcare. Suppliers will have the opportunity to view and select from a range of targeted sessions to create a learning experience tailored to their priorities and growth strategies.
