

## Vizient Learning Academy

# A new trustee education offering

Advancing capability for the vital contribution of healthcare governance

### Case for change

Healthcare governance has evolved into a challenging, highly complex endeavor. Hospital and health system boards must oversee the increasingly disruptive and nuanced dynamics associated with delivering reliable, high-quality and affordable healthcare services.

The chief executive officer (CEO) and the entire board need to be informed and aligned while continuously improving their effectiveness for the sake of physicians, clinicians, employees, patients, families and their communities.

### Act now

Annual subscription launches in 2024. Advance your organizational performance through this comprehensive trustee education offering.

- Participate in a national trustee and CEO learning network.
- Join four virtual expert-led content and coaching calls.
- Assess and action plan to enhance board effectiveness.
- Actively learn through curriculum incorporating problem-solving and scenario planning around priority emerging governance topics.
- Send three individuals to attend the in-person Vizient Trustee Summit June 19–21, 2024, in Nashville, TN, with preferred pricing for additional attendees and exclusive invitation to subscriber events.
- Tap into electronic resources curated by experts.
- Access a' la carte custom coaching, consulting and retreat design.

### Registration fees

Subscription is \$17,000 per organizational board per year.

Without a subscription, a' la carte pricing for the in-person Vizient Trustee Summit June 19-21, 2024, in Nashville, TN is \$4,250 per person.

Preferred pricing options are available for group subscriptions and summit registrations.

All participants are responsible for associated lodging and travel costs.

### Purpose

The Vizient trustee education offering is designed to support trustees and CEOs in their quest to govern effectively and advance organizational performance. Leveraging data insights, industry expertise and strategic partners to address contemporary healthcare issues, this program will deliver unique learning and networking experiences to strengthen board capability and contribution.

### Target audience

Board chairs, committee chairs and trustees with their CEOs

Constructed to meet the unique needs of seasoned trustees and those newer to their role, while also respecting the differences across various sizes and structures of organizations and boards.

### Mission

The Vizient Learning Academy empowers excellence by delivering healthcare learning experiences to advance individual and organizational performance.

## 2024 Curriculum overview

### Healthcare landscape, financial health, emerging issues and a forward view

Learn from national experts from Kaufman Hall, Sg2 and Vizient as they bring you the latest news, emerging issues, financial health of the hospital industry, M&A and the year ahead for healthcare, healthcare leaders and boards.

### Environmental sustainability: One threat too profound to ignore

Address and evolve your organization's role and contribution to combat climate risk, reduce cost and improve human and environmental health.

### Organizational performance and transformation strategy

Challenge your journey to sustained excellence with the critical contribution of governance. Address the basics for new trustees on understanding healthcare quality and deepen the more seasoned trustee's mastery of quality, safety and reliability for leading performance.

### Essential attributes and competencies of governance for success

Immerse into the basic roles and responsibilities of trustees as critical to successfully functioning governance, and not for the faint of heart. Examine demonstration of leading governance practices and learn what to do differently to get better results.

## 2024 Subscription program structure

Date	Delivery	Content
