

Vizient Learning Academy

Accreditation Professional Orientation Certificate

Optimize your organizational performance

Invest in your future by empowering professional development today

This comprehensive virtual education program, offered twice each year, is designed for accreditation professionals new to the field or other leaders with accreditation oversight for their department or area. The program consists of 11 webinars and provides the knowledge and skills needed to become a more effective accreditation professional. Vizient accreditation and regulatory subject matter experts will provide vital information, resources and shared success strategies to strengthen knowledge and skill in developing a continuous readiness program.
