

2 states, with total annual drug spend in facilities, 34 Ambulatory Surgical Centers, (5) numerous Physician-Specialty Clinics. 28
y Network was created to foster long-term, em's pharmacy practice through knowledge-pharmaceutical care, at a lower cost, without
ual" IDN, combine their aggregate purchase
e value and through standardization and
oup-enhanced contracts. In 2001, the
e pharmacy distributor. The pharmacy
nderstanding that not every member will
nacy aggregation group Member know that

Mountain States Pharmacy Network

Profile overview

- Inception date: **April 2008**
- Member count: **34**
- Member hospitals: **181**
- Most recent annual drug spend: **\$1.7B**
(excludes Direct Purchases)
- Savings since inception: **\$680M cumulative**
(as of Dec 2022)

Member benefits

- Analytics and benchmarking to help identify and assess contract maximization, standardization, and utilization opportunities across the care continuum
- Assistance with implementation strategies, reporting on cost savings, auditing performance and facilitating communication with key stakeholders
- Implementation strategy, tools and support to enhance speed to value
- Sharing of “best practices”, evidenced-based guidelines and peer-reviewed clinical studies
- Super-tier, super-network savings for all participating Member regardless of size
- Leverages the size of the pharmacy aggregation group and established relationships with the GPO, suppliers, distributors, and Member to minimize the impact of drug shortages

Supplier benefits

- Pharmacy Aggregation Group Director offers a single point of contact to speed implementation and facilitate communication
- Single point contracting – custom contracting specialist and legal support
- Contract aggregation and sales volume/market-share maximization
- Demand forecasting
- Market management – ensures contract price loads are accurate and product is available at the distribution center to meet member needs
- Subject matter expertise – can effectively respond to questions pertaining to on-label and off-label indications
- Pharmacy aggregation group has a proven ability to drive compliance through peer-to-peer communication, pharmacy leadership commitment and executive suite support

Pharmacy Aggregation Group highlights

- In 2001, Mountain States Pharmacy Network was the first VHA region to standardize to one pharmacy distributor across a diverse, seven state region
- Pharmacy aggregation group Member have embraced a “pay it forward” philosophy with the understanding that not every member will benefit equally from each initiative, but ALL will benefit maximally over time
- Pharmacy aggregation group Member know their upfront commitment is important, but their actual performance matters most
