Mountain States Pharmacy Network (Mountain States)

The Mountain States Pharmacy Network is presently comprised of 34 Client, in 12 states, with total annual drug spend in excess of \$1.7 Billion. The Mountain States represents more than 181 acute care facilities, 34 Ambulatory Surgical Centers, (5) Long-Term Care facilities, 31 Oncology/Infusion Centers, 61 Retail Pharmacies, and numerous Physician-Specialty Clinics. 28 Mountain States Client are currently 340B eligible. The Mountain States Pharmacy Network was created to foster long-term, collaborative, partnerships amongst pharmacy practice leaders, improve health system's pharmacy practice through knowledge-sharing, and adopting formulary policies aimed at improving access to high quality pharmaceutical care, at a lower cost, without compromising patient care. Specifically, Client have agreed to form a single, "virtual" IDN, combine their aggregate purchase volume and drive market share to strategic Supply partner's willing to provide unique value and through standardization and utilization Client have maximized the speed to value of pharmacy aggregation group-enhanced contracts. In 2001, the Mountain States Pharmacy Network was the first Vizient region to standardize to one pharmacy distributor. The pharmacy aggregation group Client have embraced a "pay it forward" philosophy with the understanding that not every client will benefit equally from each initiative, but all will benefit maximally over time. The pharmacy aggregation group Client know that their upfront commitment matters but their actual performance is most important.

Profile overview

Inception date: April 2008

Client count: 34Client hospitals: 181

 Most recent annual drug spend: \$1.7B (excludes Direct Purchases)

 Savings since inception: \$680M cumulative (as of Dec 2022)
