Mid-America Service Solutions, LLC (MSS) was incorporated by six VHA legacy members to improve operational efficiencies, with a focus on contract aggregation. Today, MSS has evolved to provide value beyond price in expanded areas to include technology, physician preference and purchased services. Governed by two owners, MSS serves more than 70 members and 500 non-acute facilities. Sourcing and contracting categories include medical-surgical, pharmacy, capital, information technology, laboratory, business development, purchased services and physician preference initiatives.

Differentiators

- Highly aggregated, highly committed
- Aggressive savings – return on investment
- Regional geographical footprint
- Utilization of the Vizient MedSurg Commit Program for clinical commodities and clinical preference product segments

Participation requirements

Members agree to the following principles:

- Vizient is primary group purchasing organization
- Commitment across select categories
- Board approval
- Vizient MedSurg Commit program is primary portfolio for Commodity and Clinical Preference items

Membership structure and governance

- Board Of Directors: owner chief executive officers or designee(s) meet quarterly
- Operations Committee: owner supply chain executives meet monthly
- Supply Chain Steering Committee: owner supply chain executives and selected member supply chain executives meet monthly
- Pharmacy Steering Committee: owner pharmacy executives meet monthly
- Subcommittees: owner-designated leaders meet by initiative or as directed by a standing committee
- Work Teams: owner and member representatives meet for a specific topic
