Vizient Statement on Passage of the Dr. Lorna Breen Health Care Provider Protection Act

IRVING, Texas, Feb. 18, 2022 -- [Vizient, Inc.](#) applauds Congress for passing the Dr. Lorna Breen Health Care Provider Protection Act. With passage in the Senate, the bipartisan bill, which supports the mental health care needs of health care providers through grants to promote mental health and resiliency while also examining health care provider burnout, will move to the President for his signature. Vizient was proud to [support](#) the bill and continues to encourage Congress to take up other measures to support health care providers and address health care workforce challenges. We thank Congress for taking this important step to address the long-term resilience of our nation's health care professionals as they continue to experience mental health challenges and burnout due to the ongoing stress and trauma of serving on the front lines of the COVID-19 pandemic.
