# Mid-America Service Solutions (MSS)

Mid-America Service Solutions (MSS), a Vizient Pharmacy Aggregation Group, currently serves about 70 health systems, representing more than 800 sites of care in the Midwest region with an annual pharmacy aggregation drug spend of more than \$1.1 billion. MSS was formed to enable Client to aggregate their purchasing volume and go to market as a single committed entity, offering substantial committed purchase volume to suppliers. MSS operations are governed by a Steering Committee, comprised of one executive from each of the health systems representing a majority of client spend. The governance structure of MSS provides a mechanism for collaboration of Client to integrate evidence-based contracting strategies while aligning client's clinical, financial, and other organizational goals. Through client collaboration, MSS delivered \$112 million in pharmacy savings over the last 5 years to Client.
