

Vizient Pharmacy Aggregation Groups Group Profiles

vizient.[®]

West Coast Purchasing Coalition (WCPC)

The WCPC Purchasing Coalition is a pharmacy aggregation group comprised of 19 health systems, representing approximately 50 acute care, psychiatric, and medical center facilities and a variety of ambulatory clinics and outpatient pharmacies with approximately \$909 million in annual pharmacy spend. Since its inception in 2012, member hospitals have achieved more than \$100 million in implementable savings. WCPC Pharmacy is led by the Pharmacy Steering Committee, which is comprised of a delegation of seven executive leaders chosen from the broader membership. Additionally, WCPC attains savings through utilization, standardization, and contracting agreements. The WCPC partners with the Mountain States Pharmacy Network to provide access to a competitive distribution contract through McKesson.

West Coast Purchasing Coalition

Profile overview

- Inception date: 2012
- Member count: 19
- Annual pharmacy spend: \$909M
- Implementable savings since inception: >\$100M

Member benefits

- Sharing of knowledge across members to help address challenges such as regulatory and practice issues, service evaluation and growth opportunities.
- Aggregated volume contracts that may include other Vizient Pharmacy Aggregation Groups.
- Collaboration with Vizient pharmacy team to keep abreast of opportunities that can benefit our members.
- Communication to the executive level of the value and effectiveness of standardization and utilization efforts by pharmacy.

Supplier benefits

- Single point of contact to facilitate communication of value and mutual opportunity.
- Ensures focus on initiatives through the pharmacy aggregation program that otherwise may be lost in the day-to-day priorities of a hospital pharmacy.
- Proven ability to drive market share through pharmacy aggregation structure and to drive compliance through peer communication and executive suite engagement in pharmacy aggregation activities.

Pharmacy Aggregation Group highlights

- A true sense of "pharmacy aggregation" demonstrated with idea sharing among members.
- Successful attainment of market share tiers for multiple drugs which has secured lower pricing for members.
- Savings attainment through the group's utilization initiatives.
