

Cooperative Services of Florida (CSF)

The CSF is a pharmacy aggregation group comprised of CSF as the Vizient member and their 4-owner health systems as Member of their regional group purchasing organization (GPO). CSF represents a total of 15 acute care facilities and approximately **\$290 million** in annual pharmacy spend. Since inception in 2019, member hospitals have achieved almost **\$13 million** in implementable savings. The CSF pharmacy aggregation committee is chaired by the Vice President of Pharmacy Services at CSF and comprised of executive leaders from each of their member systems. Furthermore, outside of the pharmacy aggregation, CSF focuses on aggregating Member ' needs to drive competitive contracts that lower cost for medical and pharmaceutical supplies, technologies, and services. In addition to being an aggregation group for Florida health systems pharmacy contracting, CSF has a variety of other pharmaceutical services they provide for their Member . This includes two distribution hubs, sterile-to-sterile 503B pharmaceutical compounding, first responder logistic services, pharmacy tray exchange for acute care facilities, nuclear services, and central fill ADC replenishment. These additional services add pharmacy solutions to CSF Member , that extend their customized service line and create value through lowering costs and reducing waste.

Cooperative Services of Florida

Profile overview

- Inception date: **January 2019**
- Member count: **6 health systems, 13 hospitals**
- Most recent annual drug spend: **\$290 Million**
- Savings since inception: **> \$13 Million**

Member benefits

- Sharing of knowledge across Member to help address challenges such as regulatory and practice issues, service evaluation and growth opportunities
- Dramatically improve pharmaceutical pricing by aggregating volumes both within the pharmacy aggregation group and with other pharmacy aggregation groups
- Assistance with implementation strategies, reporting on cost savings, auditing performance and facilitating communication with key stakeholders and the executive level

Supplier benefits

- Single point of contact to facilitate communication of value and mutual opportunity
- Proven ability to drive market share through pharmacy aggregation structure and to drive compliance through peer communication and executive suite engagement in pharmacy aggregation activities
- Ensures focus on initiatives through the pharmacy aggregation that otherwise may be lost in the day-to-day priorities of a hospital pharmacy

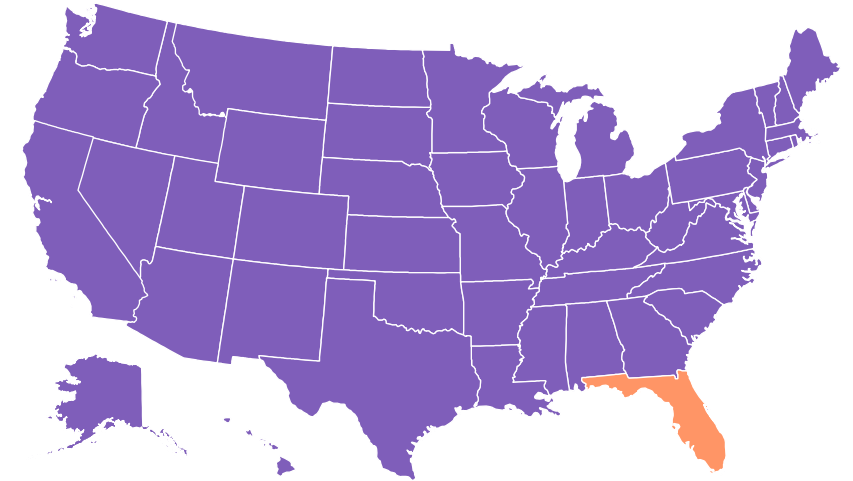

Pharmacy Aggregation Group highlights

- Standardized single pharmacy wholesaler
- Two centralized distribution centers and a 503B sterile compounding facility
- Florida focused aggregation group
