

Northwest Pharmacy Network (NPN)

The **Northwest Pharmacy Network (NPN)** is a collaborative pharmacy aggregation group composed of **11 health systems**, representing **over \$1.8 billion** in annual pharmacy spend. Established in **April 2019**, NPN was created to **lower pharmaceutical costs** without compromising **patient care**.

Since its inception, NPN members have achieved **over \$68.5 million** in pharmacy savings through **utilization, standardization, and contracting strategies**. The network operates on the principles of **collaboration and transparency**, enabling members to achieve collectively what they could not accomplish alone.

By uniting as a NPN, members enhance their **market leverage**, driving significant value through aligned strategies and shared commitment to cost-effective, high-quality care.

Northwest Pharmacy Network

Profile overview

- Inception date: **April 2019**
- Member count: 11
- Most recent annual drug spend: **\$1.8B**
- Value since inception: **\$68.5M**

Member benefits

- Sharing of knowledge across members to help address challenges such as regulatory and practice issues, service evaluation and growth opportunities
- Dramatically improve pharmaceutical pricing by aggregating volumes both within the pharmacy aggregation group and with other pharmacy aggregation groups
- Assistance with implementation strategies, reporting on cost savings, auditing performance and facilitating communication with key stakeholders and the executive level

Supplier benefits

- Single point of contact to facilitate communication of value and mutual opportunity
- Proven ability to drive market share through pharmacy aggregation structure and to drive compliance through peer communication and executive suite engagement in pharmacy aggregation activities
- Ensures focus on initiatives through the pharmacy aggregation that otherwise may be lost in the daily priorities of a health-system pharmacy

Pharmacy Aggregation Group highlights

- Partnership network of a small number of peers representing large pharmacy spend
 - Large academic medical centers associated to provide collaboration
- Flexibility to structure initiatives that meet unique member needs
- Active distribution agreement providing additional value as compared to Vizient base
- Aggregated vaccine group providing additional value compared to Vizient base
- First pharmacy aggregation group to establish a contract in the radiopharmaceutical space
