# Northwest Pharmacy Network (NPN)

The **Northwest Pharmacy Network (NPN)** is a collaborative pharmacy aggregation group composed of **10 health systems**, representing **over \$1.8 billion** in annual pharmacy spend. Established in **April 2019**, NPN was created to **lower pharmaceutical costs** without compromising **patient care**.

Since its inception, NPN clients have achieved **over \$68.5 million** in pharmacy savings through **utilization**, **standardization**, and **contracting strategies**. The network operates on the principles of **collaboration and transparency**, enabling clients to achieve collectively what they could not accomplish alone.

By uniting as a NPN, clients enhance their **market leverage**, driving significant value through aligned strategies and shared commitment to cost-effective, high-quality care.

# **Northwest Pharmacy Network**

### **Profile overview**

· Inception date: April 2019

· Client count: 11

Most recent annual drug spend: \$1.8B

Savings since inception: \$68.5M

#### Client benefits

- Sharing of knowledge across Client to help address challenges such as regulatory and practice issues, service evaluation and growth opportunities
- Dramatically improve pharmaceutical pricing by aggregating volumes both within the pharmacy aggregation group and with other pharmacy aggregation groups
- Assistance with implementation strategies, reporting on cost savings, auditing performance and facilitating communication with key stakeholders and the executive level

## **Supplier benefits**

- Single point of contact to facilitate communication of value and mutual opportunity
- Proven ability to drive market share through pharmacy aggregation structure and to drive compliance through peer communication and executive suite engagement in pharmacy aggregation activities
- Ensures focus on initiatives through the pharmacy aggregation that otherwise may be lost in the daily priorities of a healthsystem pharmacy

## **Pharmacy Aggregation Group** highlights

- Partnership network of a small number of peers representing large pharmacy spend
  - Large academic medical centers associated to provide collaboration
- Flexibility to structure initiatives that meet unique client needs
- Active distribution agreement providing additional value as compared to Vizient base
- Aggregated vaccine group providing additional value compared to Vizient base
- First pharmacy aggregation group to establish a contract in the radiopharmaceutical space
