THE POSSIBILITIES

VIZIENT CONNECTIONS SUMMIT | WYNN LAS VEGAS | SEPT. 15-18, 2025

Spend Management Forum

AI-Powered Supply Chain: Member Insights and Roadmap Collaboration

Sept. 17, 2025 | 8-9:30 a.m. | Avignon

Overview

Explore how AI-driven solutions can improve data accuracy, inventory optimization and procurement efficiency across key supply chain functions. This session invites feedback to shape Vizient's GenAI strategy and offers an opportunity to participate in future pilots and roadmap co-creation.
