

Vizient Governance Academy

2025 Curriculum overview

Healthcare landscape, financial health, emerging issues and a forward view

Learn from your peers and national experts from Kaufman Hall, Sg2 and Vizient as they bring you the latest news, emerging issues, financial health of the hospital industry, M&A and the year ahead for healthcare, healthcare leaders and boards.

Sustainability: One threat too profound to ignore

Address and evolve your organization's role and contribution to organizational sustainability through discussions on high reliability, environmental sustainability and cost reduction.

Organizational performance and transformation strategy

Challenge your journey to sustained excellence with the critical contribution of governance. Address the basics for new trustees on understanding healthcare quality and deepen the more seasoned trustee's mastery of quality, safety and reliability for leading performance.

Essential attributes and competencies of governance for success

The fundamental roles and responsibilities of trustees and executive committees are critical to successfully functioning governance, and not for the faint of heart. Examine demonstration of leading governance practices and learn what to do differently to get better results.
